

Immigration Team

ebI miller rosenfalck is a full service international business law firm specialising in delivering tailor-made solutions to complex legal issues.

We are a multi-national partnership and the majority of our business has an international element. We offer a variety of flexible and competitive pricing structures and we are a dynamic alternative to traditional City firms. Our clients range from entrepreneurs and start-ups to substantial private and public companies.

Our Immigration Team advises employers on all legal and practical immigration issues for their workforce. We also advise founders, senior executives and high net worth individuals on their immigration status and applications in the UK and abroad.
